Major General R. W. Grogan (Ret)

STAT

Dear General Grogan:

In confirmation of our telephone conversation of yesterday, Mr. Dulles is most appreciative of your invitation to meet General Anderson on Thursday, the 19th of April, and if his schedule permits he will meet you and your party at the Bureau of Public Roads Research Station at about 4:15 p.m. on that date.

You will appreciate, of course, that planning for our building is in the very early stages and that we, therefore, will be unable to discuss the project in very much detail.

I shall look forward to seeing you next Thursday.

Sincerely,

/s/

L. R. White  
Deputy Director

Major General R. W. Grow

Dear General Grow:

Thank you for your letter of 1 April 1956 inviting me to meet General Anderson and other officials at the Bureau of Public Roads building at Langley on 19 April 1956.

I appreciate your making these arrangements and if at all possible plan to be there. I have also asked Colonel Lawrence K. White, Deputy Director for Support, to join me.

Your letter indicated that there will be a short briefing of the party on the proposed CIA project. I am sure in discussing the project General Anderson and the others will appreciate that funds for the projected CIA building have not received Congressional approval, and that neither Colonel White or myself can discuss the matter in definite terms at this time.

Thank you again for your interest in this meeting.

Sincerely yours,

Allen W. Dulles  
Director
